

## **CfP and fuse Public Health Group**

### **Meeting 23/09/2021 [10.00-11.30]**

This is a meeting as part of CfP's governance framework. Its purpose is to agree terms of reference including Aims and Objectives.

This meeting is also to agree joint CfP-fuse membership of the group and future dates of meeting.

The meeting will also update attendees on latest CfP-fuse developments including research opportunities and consider future research opportunities.

Attendees will also be updated on latest developments of the CFP Exemplar initiatives to research the added value of the relational dividend as it applies to a number of joint projects. This will include commissioning, client, and contractor roles in a relational environment.

An update report will also be provided on Policy Press Publications and the UKRI research activities.
